

"Being a parent of a SERVE participant, we so much appreciate all the very many people who make this mission trip happen. Whenever a

missionary comes to speak at our church, or a mission group goes off to do what the Lord needs them to do, our adult child turns to us and says, "my Ottawa too?". For a person with disabilities to go on a mission trip and be able to minister to others is such a wonderful thing. As a parent, it makes me cry with thankfulness and joy. I too, hope that there will be more SERVE opportunities across this beautiful country of ours."

“That’s because God cares, cares right down to the last detail.”

James 5:10-11 ([The Message](#))

The Special Needs SERVE is for people from the ages 14-26 with special needs that can not be accommodated on a traditional SERVE experience. During this 5 day project, participants will spend time serving and worshipping God. The work projects will be tailored to the ability of the individual students and will allow them to experience the joy that comes from serving others in the name of Christ.
