Dear Mr. & Mrs. ,

Hi! I'm writing because God has provided me with an opportunity to grow spiritually and serve in His name as a member of a 12-day SERVE project in Zambia, Africa. This is a ministry of Youth Unlimited. Our SERVE Team will leave for Zambia on August 4 and return on August 16, 2005. I'm really excited by God's call to serve Him in Zambia!

The mission of Youth Unlimited is to work in partnership with local churches to challenge youth to make a commitment to Jesus and to change their world for Him. By the grace of God, I will live out that mission in Zambia. Children in Zambia are in great need – AIDS is rampant and there are many orphaned children that are not well cared for by the Zambian people or culture. Our SERVE team is partnered with Every Orphan's Hope (www.everyorphan.org) and several Zambian churches to host a Bible Camp for 150 orphans in Ndola, Zambia. I will be teaching, playing, worshiping and hanging out with my small group of about 15 orphan children (I'll have help from a Zambian volunteer from a local church and others from our SERVE team). Each day after breakfast and our morning devotions, we will start the day at the camp with songs and Bible stories. After a nutritious lunch, we will have another related Bible story and we will have a variety of activities including crafts, soccer, playing Frisbee and just being a friend. I am confident that God will use this Bible Camp to change my life and many children's lives for eternity.

I'm asking you to prayerfully consider being part of my support team for the trip. My cost is [\[Enter the total cost including registration and air fare in the appropriate currency – US or Canadian\]](#) for this 12-day mission. That amount includes all my expenses flying to Lusaka, Zambia and back plus all the food, lodging, and materials for me to SERVE in the Bible Camp. Please make checks payable to Youth Unlimited. All gifts are tax-deductible. Please pray with me about this opportunity and, if you are able to support me, please complete and return the donation form in the self-addressed stamped envelope. Even more importantly, I ask that you be part of our prayer partnership during my preparation and while I am gone. Please let me know if you will pray for me and the Zambian SERVE. If so, I will provide a prayer calendar just before I leave for Zambia, so you can pray specifically each day. Thank you!

Sincerely,
